Craft booth	Corporate Sales	Dealer
\$50	\$200	\$500

- Craft booth (\$50) is a 12x12 area that can accommodate a tent with room under for tables and chairs. Food vendors and small pull behind trailers are acceptable.
- Corporate Sales (\$200) is an area that is negotiable in size but has room for multiple tents, exhibits and inventory. Trailers are acceptable in most cases.
- Dealers (\$500) are corporate vendors who bring large items such as tractors, RVs and vehicles. This is a larger space that allows for displays and pedestrian traffic.

The 7Hills Rubicon Jeep Show is rain or shine. It is a charity event to benefit Santa Bike Patrol. There will be no refunds.

There are no electrical hook ups. Vendors will be required to bring a generator or power source.

Set up will occur one day in advance for larger vendors or one hour in advance of event for craft booth vendors. The venue is located on airport property, which means it is gated and secure. There is no camping.

Because this is a working airport, vendors will be required to secure any exhibits and signs. Objects that may float, fly or release into the air (drones / balloons / confetti) are not permitted.

No alcoholic beverages.
